

## Greetings

The 23<sup>rd</sup> Annual Congress of East Asia Sport Exercise Science Society (EASESS) will be held on 8<sup>th</sup> to 9<sup>th</sup> August 2018 in Kyushu Sangyo University, Fukuoka, Japan. On behalf of the Chinese delegation, I hope to extend our warmest congratulations to all the experts, scholars and guests present at the congress. Especially, I hope to extend our heartfelt gratitude to Atsushi Saito and our colleagues from Japan as well as Kyushu Sangyo University for their extraordinary arrangement.

Since its foundation in 1996, EASESS has held 23 congresses. Experts and scholars from China, Japan and Korea have made their own contributions to the communications of sport experts in the three countries by attending the congresses. I hope to take this opportunity to express my special gratitude to Ogaki Tetsuro and Jin-Pyo Hong as well as other presidents from China, Japan and Korea for their great contributions to the development of EASESS.

We hope we can further strengthen the friendship between sport experts in China, Japan and Korea with our annual congresses. I look forward to see the fruitful academic achievement of this congress.

In closing, I wish all participants a pleasant stay and good health and I believe the congress will be a great success!
